

How have we acknowledged the principle of "Social interaction introduces multiple perspectives through reflection, collaboration, negotiation and shared meaning."

What deliberate things did we do?	What was the effect?	What questions do we have?
<p>Meeting - Intro, discuss what we have been implementing followed by reflection - ideas shared re imp. - now what? next steps.</p> <p>Opening the floor and having the agenda that allows for participation and sharing</p>	<p>Shared pedagogical understanding Builds enthusiasm - stimulates thinking Enhanced teacher practice.</p> <p>People buy into it - celebrating success. Sense of ownership.</p>	<p>How can we get to see others in action?</p> <p>How do we know it's making a difference beyond the meeting? (accountability).</p>
